

September 8, 2014

Dear Parents,

We are off to a great start this year! The kids have been excited and happy to be here, and the transition has been smooth. Thank you for being flexible and supportive through the first week. Below are just a few reminders:

- **Carline:** We started carline this week. The **2's and 3's class** has their carline on the playground side of the building. It starts at **9:15 a.m.** and ends at **9:30 a.m.** Please do not park along the curb. The teachers and the assistants will be there to take your child out of the vehicle. If you arrive past 9:30 a.m. then your child is late and you must walk them to the door. **VPK Carline** is in the front of the building by the large windows. It begins at **9:10 a.m.** and ends at **9:20 a.m.** Please do not take your child out the car, the assistant or teacher will remove your child from the vehicle. The doors close at 9:20 a.m. and you must drive to the 2's and 3's carline on the other side of the building. If your VPK student has a sibling, please drop off your VPK student first and then proceed to the other carline for their sibling.
- **Pick-Up:** Our pick-up is from 12:50-1:00 p.m. After 1:05 p.m., the parent is considered late, and will be charged \$5 for every 5 minutes. Please be here on time.
- **After School Activities:** Start this week! Be sure to remember to pick up your child at the appropriate pick-up time. You can call or email the instructor for this activity. Their information is on our website.
- **Snack and Lunch:** Be sure to send a snack in everyday for your child and a **full lunch**. Snacks need to be labeled as "snack" or have their name on it so the teachers know. Remember, all items must be NUT-FREE.
- This is a **CELLPHONE FREE ZONE**, so no using your cell phone in the building.
- If you have someone else that is picking up your student and they are not on the emergency pick up list, please notify the office. The teachers are required to ask for identification for anyone new picking up a student.
- **VPK Supply Fee:** please be sure to send in the \$25 for your child's classroom fees. This goes toward their current supplies and replenishing those supplies throughout the year.
- **Dress-Code:** Be sure your child is wearing completely covered shoes and/or sneakers. I know that there were many changes on the dress-code but these changes are made for **your child's safety**. Below I have placed a few articles about the dangers and places where you can purchase a proper jacket when the time comes.
- At Kingdom Kids, we love that we are diverse and feel it is wonderful that many of our students can speak various languages. However, we ask that every student and parent speak English on the premises. Please encourage your child to speak English and work on it at home, so they can become more confident in it.

- **Website:** I hope you love our new website! All important dates, upcoming events and documents will always be posted on the website. This letter will be on there today!
